RE: October 2011 Monthly Report

During the month of October, the West Lafayette Police Department received **2365 calls for service**, an increase of 125 calls (6%) from September, and an increase of 112 calls (5%) from October 2010.

In October, there were three Purdue home football games including homecoming festivities. Officers responded to 645 calls for service during these three game weekends and incarcerated 41 people.

At the start of the school year, the WLPD implemented a vehicle lock out assistance program to better serve our public. The program has been well received and utilized by our citizenry. Officers have unlocked 180 vehicles since the program began in August to include 103 vehicles (3.3 per day) in the month of October.

Department programs to report on for the month of October include: completion of a RAD Seniors' class at University Place, completion of a RAD Women's class, a drug take back day where 45 people dropped off over 70 lbs of drugs to be destroyed and the start of DARE classes for 7<sup>th</sup> graders at the West Lafayette Jr/Sr High School.

Respectfully submitted,
